# RESOLUTION

Celebrating the historic anniversary of the June 24, 2022, decision of the Supreme Court of the United States in *Dobbs v. Jackson Women’s Health Organization*.

Whereas the Declaration of Independence announces the self-evident truth that “all men are created equal” and “are endowed by their Creator with certain unalienable Rights”;

Whereas the first of those unalienable rights is the right to life;

Whereas modern science has illuminated our understanding of the humanity of unborn life;

Whereas the Supreme Court of the United States committed a grave error in *Roe v. Wade*, 410 U.S. 113 (1973) (referred to in this preamble as “Roe”), by inventing a constitutional right to abortion, thereby denying a class of innocent people their right to life;

Whereas more than 63,000,000 unborn lives were lost to abortion under *Roe*;

Whereas, on June 24, 2022, the Supreme Court of the United States, in *Dobbs v. Jackson Women’s Health Organization*, 142 S. Ct. 2228 (2022) (referred to in this preamble as “Dobbs”), corrected the grave error committed in *Roe*, by holding that “the Constitution does not confer a right to abortion” and that “*Roe* and *Casey* must be overruled, and the authority to regulate abortion must be returned to the people and their elected representatives”;

Whereas many States have taken historic steps to protect unborn life since the ruling of the Supreme Court of the United States in *Dobbs*; and

Whereas many millions of people in the United States continue to press to protect unborn life and strengthen support for families charged with protecting that life: Now, therefore, be it

1       *Resolved*, That the Senate—

2               (1) commemorates 1 year since the ruling of  
3       the Supreme Court of the United States in *Dobbs*  
4       *v. Jackson Women’s Health Organization*, 142 S.  
5       Ct. 2228 (2022) (referred to in this resolution as  
6       “Dobbs”);

1           (2) celebrates the millions of lives that will be  
2           saved as a result of the ruling in Dobbs;

3           (3) commits to protecting the unalienable right  
4           to life and guarding unborn lives against lethal vio-  
5           lence;

6           (4) commits to supporting families, including  
7           new and expectant mothers and their children; and

8           (5) commits to proclaiming the humanity of the  
9           unborn, consistent with the findings of modern  
10          science and the unswerving demands of justice.
