“(b) Review.—Each institution of higher education shall review the memorandum of understanding under this section with each law enforcement agency that has entered into such a memorandum of understanding every 2 years. As part of the review process, the institution shall contact each law enforcement agency that has entered into a memorandum of understanding to discuss how changes in policies or procedures at either the institution of higher education or the law enforcement agency may impact the provisions of the memorandum of understanding. “(B) is carried out in a manner that is consistent with section 444 of the General Education Provisions Act (20 U.S.C. 1232g) (commonly referred to as the ‘Family Educational Rights and Privacy Act of 1974’).
“(d) Penalty.—

“(1) In general.—The Secretary—

“(A) may impose a civil penalty of not more than 1 percent of an institution’s operating budget, as defined by the Secretary, each year that the institution of higher education fails to carry out the requirements of this section, by the date that is 1 year after the date of enactment of the Campus Accountability and Safety Act; and

“(B) if the conditions described in paragraph (3) have been met, shall waive the penalty pursuant to such paragraph.

“(3) Waiver.—

“(A) In general.—If a local law enforcement agency refuses to enter into a memorandum of understanding under this section, or will only commit to entering into a memorandum of understanding that, if followed,

“(ii) the institution has demonstrated that the institution acted in good faith; and

“(C) Administrative review.—If the Secretary does not grant a waiver under subparagraph (A), the institution may submit additional information to receive such waiver. If, after submitting additional information, the Secretary still does not grant a waiver, the decision of the Secretary shall be subject to review pursuant to section 706(2)(A) of title 5, United States Code.

“(4) Voluntary resolution.—Nothing in this subsection shall prevent the Secretary from entering into a voluntary resolution with an institution of higher education that fails to carry out the requirements of this section, by the date that is 1 year after the date of enactment of the Campus Accountability and Safety Act.

“(5) Adjustment to penalties.—Any civil penalty under this subsection may be reduced by the Secretary. In determining the amount of such penalty, or the amount agreed upon in compromise, the Secretary shall consider the appropriateness of the penalty to the size of the operating budget of the educational institution subject to the determination, the gravity of the violation or failure, and whether
the institution committed the violation or failure in-
tentionally, negligently, or otherwise.”

(b) Effective Date.—The amendment made by
subsection (a) shall take effect on the date that is 1 year
after the date of enactment of this Act.
